<b>Session Dates:</b>	Staff Week: June 10 – 16, 2019 Session 2: July 2 – 14, 2019 Session 3: July 16 – 28, 2019

### **About the Position**

Campers attending [JCC Maccabi Sports Camp](#) select a Core Sport at the time of registration, this is their focus for the duration of the 2-week session and as such, receive 4 hours each day of intensive, age-appropriate training. The Head Coach is responsible for creating the dance curriculum and overseeing the day-to-day implementation of the dance program. Head Coaches play a key role in creating and defining each of the Core Sports programs at JCC Maccabi Sports Camp and take a visible leadership role at camp. They serve as the primary instructors for teaching fundamental skills as well as more advanced strategy.

Our program seeks Head Coaches who are passionate about their sport and love working with young athletes ranging from grades 3 to 11. They should inspire and motivate their dancers regardless of age or skill level. Campers should leave camp with an increased passion for the discipline, along with an advancement of skill, confidence and creativity. In addition to leading the Dance Core Sport, the Head Coach will work alongside Assistant Coaches and are in a position to offer guidance and feedback but will not act as their director supervisor. (Assistant Coaches, also called Counselor-Coaches, have the dual role of serving as a camp counselor – chaperoning, supervising and guiding campers through the day-to-day activities of the overall camp experience. Assistant Coaches placed in a specific sport will have a fundamental knowledge of the sport but may not have prior experience with coaching or teaching.)

Being part of an overnight camp community means building relationships with all the staff members and campers in their Core Sport. Head Coaches should devote time to working with each camper individually, as JCC Maccabi Sports Camp has a proven track record of individualized attention and high-level instruction in each of our Core Sports. With Head Coaches working alongside the Assistant Coaches, we aim to maintain a 5-to-1 camper to coach ratio.

While Head Coaches have different responsibilities than the Counselors and other non-sports camp staff, at its heart, camp is a community and Head Coach involvement in general camp activities will go a long way towards building relationships with the campers and providing them with an experience that will set JCC Maccabi Sports Camp apart from other sports camps.

**This is a seasonal, temporary position that requires a minimum commitment of one 2-week session.** Competitive salary is based on experience, and includes room and board. It is preferred that Head Coaches live on campus for the duration of their contract.
