

**Position:** Camp Nurse  
**Organization:** JCC Maccabi Sports Camp  
**Location:** Menlo College in Atherton, CA  
**Dates:** Staff Training: June 8 – June 15, 2020  
Session I: June 16 – June 28, 2020  
Session II: June 30 – July 12, 2020  
Session III: July 14 – July 26, 2020

**Compensation:** Negotiable DOE; includes room & board

The Camp Nurse is the lead medical professional on the camp staff, responsible for managing the Health Center and handling any and all medical related situations that arise. The most common ailments and injuries include: allergies, colds, coughs, sore throats, stomach pains, sprains, strains, muscle soreness, bruises, cuts, cramps, and fractures. Campers or staff members with serious ailments/injuries are transported to the local urgent care facility or hospital by camp staff.

There may be certain times of day when the caseload is light and at other times it may be very busy. Camp Nurses are responsible for distribution of approved prescription and over-the-counter medications to our campers, which require that a nurse be in the Health Center during certain times of the day (before breakfast, lunch, dinner, and at bed times.) Being a Camp Nurse is not a summer vacation, and you should apply only if you are prepared to work hard and be immersed in a summer camp environment.

The Medical Team, which include a Camp Nurse and an Athletic Trainer, is very much a part of the overall staff and is encouraged to become part of our community, including having a presence during day & evening programming, eating meals in the dining hall, and building relationships with the campers and staff.

If you have sports-minded children of appropriate camp age (entering grades 4-11), they would be welcome to join camp as campers.

This is a seasonal, temporary position and preference will be given to applicants who commit to the full camp season, June 5 – July 31, 2017. There may be, however, an option to work one or two 2-week sessions. Competitive salary is based on experience. It is preferred that Camp Nurses live on campus for the duration of their contract, in which case room and board will be included.

**Responsibilities:**

- Serve as the primary health care professional of the camp
- Oversee the day-to-day operations of the camp Health Center including set up, organization, ordering supplies, communication with staff, etc.
- Administer approved prescription medication to campers and staff
- Chaperone, as necessary, trips to local hospital or urgent care facility for more serious injuries and ailments
- Work in conjunction with rotating MDs and Athletic Trainers

- Make parent phone calls regarding camper medical issues
- Supervise camper visits to Health Center and keep necessary medical records
- Provide training to camp staff on Health Center procedures, illness and injury prevention, and other topics as necessary

**Qualifications:**

- Licensed Registered Nurse in the State of California (Pediatric, ER or camp experience helpful)
- Experience working with children in a formal setting
- Enthusiastic, compassionate, patient, and hard working
- Ability to work as both part of a team and independently, and manage projects and team members
- Driver's license, clean driving record, and ability to drive campers, as needed, to off-site medical facilities

**About JCC Maccabi Sports Camp**

JCC Maccabi Sports Camp is an overnight specialty camp with programs in basketball, soccer, volleyball, baseball, tennis and dance for campers entering grades 4-11. Our 2-week sessions combine high-level specialized sports instruction with the fun, friendship, and community of a traditional overnight camp.

Our camp is both an intensive sports and Jewish experience and is open to campers of all backgrounds and faiths. We are seeking quality coaches and while they would need to support the camp's core values, **Camp Nurses are not required to be Jewish**. To learn more about the camp's values, visit the "About Camp" section of our website.

JCC Maccabi Sports Camp is located on the beautiful campus of Menlo College, a private undergraduate school in Atherton, CA, approximately 30 miles south of San Francisco.
